NEW YEAR, MORE FUN!

Let's start the new year with a bang, by jumping right in to more great, school community activities right around the corner!

We hope your students enjoy our very first Friendship Week where we'll be focusing on kindness and being a good friend to everyone.

We'll also be doing RA's very own Inspirations Art Exhibition! The theme will be "Imagine That!" All entries are due 1/21 (except 3D art will be due 1/27). Check out the school's weekly emails and Facebook for complete info.

STEAM Night is a fun and educational evening event for the whole family that you will for sure not want to miss! We are looking for more volunteers to help pull off this great night. If you're interested, please click the link below.
