THAT'S A WRAP!

This year as an FEC Presidency, we had three goals in mind:

-Show appreciation! We had three focuses with this goal and have highlighted them below. It has truly been a joy for us to focus on gratitude this year, especially since they're all so deserving of our appreciation!

-Have a more "normal" school year, which we hope we accomplished. :)

-Be more transparent with FEC Funds. The funds raised throughout the year help with SO many things. We have spotlighted some of the projects we're working on to the right - take a look! The money raised also goes to fund ALL FEC events like Carnival, helping with MS dances, White Ribbon Week, Red Ribbon Week, Battle of the Books, Book Fair, Friendship Week, Spelling Bee, and Inspirations. The funds from this year also went to Spirit Gear (including next year's, which we're SO excited about!), improvements such as signage for Spirit Nights and a new speaker system, showing appreciation in ALL the ways listed below, installing student tiles as a cool art feature in the school's east vestibule, and more!

A big shout out to this presidency (pictured left from right: Jenny Buck, Nanette Jones, Mica Hauley, Brittany Taylor, Melissa Despain, & Brooklyn Watson) who caught the vision and worked SO hard to make this a great year for students, teachers, families, and volunteers alike! THANK YOU!

1

TEACHERS!

We've been able to show our awesome teachers how much we appreciate them through weekly Teacher Cart (including special ones throughout this year), a great Teacher Appreciation Week, providing SEP snacks, & more!

2

STUDENTS!

We've been able to show the students we appreciate them (especially after all they've been through the past couple years) by doing themed Student Appreciation Days this month and Field Day, along with Classic Skate Nights, new microwaves, & more!

3

VOLUNTEERS!

The FEC couldn't run without all the fantastic volunteers! We wanted to show our appreciation through social media shout-outs, special thank you gifts to those who did so much, a catered breakfast, thank you cards, thank you treats, & more!

Drew Wright Memorial Bench

Mr. Wright will always hold a special place in our hearts and at this school. This will be a wonderful addition that is perfectly fitting for who he is to us.

Lights, Camera, Action

The stage curtains are ready for an upgrade. We are excited to be working with the schoolhouse to hopefully get new curtains installed over the summer.

Drinking Fountains

Another project we are excited about undertaking is improving the drinking fountains throughout the school. The FEC has plans to work with the schoolhouse to repair buttons, add bottle-fillers, and replace fountains.
