Field Trip Donations - Due Friday, March 31

This year we have many exciting field trips scheduled for our students. Our field trips are funded by parent donations. We ask all RA families to donate \$40 per student to help us make field trips a reality for our students. We understand this donation may not be possible for all of our families, hence any donation is always appreciated. We still need significant funds to complete our scheduled field trips this year (see below). **All field trips donations for 2023 are due before Friday, March 31st. If we do not have sufficient funds to cover grade level field trips scheduled for April & May before Spring break, we will cancel them.** If you are in a position to do so, please help us make these field trips happen for the students. Field trip donations can be made in the office (cash or check only) or [online](#) (see K-6 donations, 'field trip' or 'misc donation' and label as '1st grade field trip donation' etc). Thank you for your generosity!

RA Snow Day Policy

We do not close the school for snow days. We are always open and we trust parents to make good decisions. We expect that rational adults can make their own decisions regarding their safety and that of their children. During weather events, we tell everyone-- families, faculty, and staff to make their safety the priority. The weather tends to vary throughout the valley and some staff members live close to the school, so generally, there are people that can safely make it here for those families who have no other options for their kids. We do not count absences/tardies during weather events such as the storm last week. Students will not get behind if they are absent.

2023-2024 Kindergarten - Register ASAP to ensure placement in your preferred program

Since the passing of HB 477 last week, we will now be offering a free full-day kindergarten program at Renaissance next school year. We plan to offer both a half-day (AM & PM) and full-day kindergarten program, and hope to be able to accommodate the needs of most of our RA families. We are still working out the program details, but we are planning to offer multiple full-day classes. More information will be sent to all kindergarten families shortly.

Kindergarten Teachers

Full-day Kindergarten - Keri Holmgren
 Full-day Kindergarten - Angela Clift
 AM Kindergarten - Carolina Martinez
 PM Kindergarten - Brittanie Cooper

2023-24 Kindergarten Schedule

AM Kindergarten:

M-Th 8:00-11:20 am

Every other Friday 8:00-12:15 (A/B schedule)

PM Kindergarten:

Important dates in 2023-2024

Elementary class lists posted - Friday, August 4th

6th-9th grade schedules available - Thursday, August 10th

Back to School Night - Thursday, August 10th

School starts (1st-9th graders) - Monday, August 14th

Kindergarten assessments - Monday-Thursday, August 14th-17th

Kindergarten class lists & orientation - Friday, August 18th

Kindergarten students start school - Monday, August 21st

School Lunch Reminder

Don't forget to fill out our new monthly school lunch form to order school lunch in March if you have not already done so <https://forms.gle/MCu8kTftKQLwx8hG7>

Important: A tab was added to the main school website page renacademy.org for easy access under Lunch Order Form next to the Menus.

You can fill out the survey a week at a time or for the entire month using the same link. Please mark hot lunch or PB&J for the days you want your student to eat school lunch. Fridays are a sack lunch, when you select hot it's for the turkey, ham & cheese sandwich or there's also PB&J. You can skip the days you do not need a school lunch.

With this new implementation it's important to keep in mind and be considerate that due to labor constraints, food availability and our food delivery schedule, school meals are required to still be ordered by the Friday before. We will be pulling the lunch participation report every Friday so we can order for the following Monday. We get our food delivery truck on Mondays for that entire week's menu. We keep PB&J sandwiches in stock however since the hot lunch varies daily we only have so much freezer space for storage when considering how much extra we can have on hand.

Lunch is \$2.85. You must fill out a survey for each student individually.

Breakfast is served every school day for \$1.75 from 7:40-7:55. Please bring your students on time they need to be done eating by 7:55. There's PE at 8 and we have to clean and put tables away for class. There is no need to fill out a survey for breakfast as we have a small amount of students coming for breakfast.

Please feel free to contact Stella Aires if you have any questions.

Chinese DLI Program Pathways - Parent Information Session

We held an online meeting on Friday, February 24th for all students and families currently attending or interested in our Chinese DLI program. Ms. Wu, our Chinese DLI program coordinator, reviewed all aspects of the program, including future pathways for our DLI students in MS, HS and college. The meeting was recorded and is now available to view online.

SCHOOL Announcements

Did you know that Renaissance Academy offers the Chinese Immersion program in middle school?

In middle school, Chinese program looks very different from elementary schools' 50/50 mode, or 6th grade's Chinese and social study classes. When your students go to DLI in middle school, they will take DLI 3 - DLI 5 classes from 7th grade to 9th grade as their required Chinese language class. They also have the opportunity to take Chinese Culture class as an elective. In 9th grade, students have the option to participate in the AP Chinese Language and Culture test, and we offer AP Prep class as an elective for 9th grade students who are planning to take the AP test.

Reasons that parents choose the middle school DLI program at Renaissance Academy:

- In middle school, our program still strictly follows the rule of immersion and creates 100% Chinese language environment in classrooms. This rule applies to both students and teachers. In this way, we do our best to help students to improve their Chinese language skills in listening, speaking, reading and writing.
- Chinese 3-5 classes are NOT equal to DLI 3-5 classes. In the DLI 3 class, your student's classmates are from the DLI program, and have learned Chinese in the past 6 years. However, in the Chinese 3 class, your student's classmates are students who started to learn Chinese in Chinese 1 and only have 2-year experience in learning this language. This will directly lead to a situation that the class content might be too easy for students who come from the DLI path and you won't see improvement in their language skills from that class.
- The Utah DLI program requires to use simplified Chinese characters, while many of the non-DLI programs use traditional Chinese characters. DLI students will confront with many struggles when they read and write in a new character system, and lost their confidence and interest in learning Chinese, especially when student comes from a non-Chinese speaking background.
- Our class sizes in middle school is smaller than district schools, which makes the differentiation in the classrooms a lot easier and your students have a lot more opportunities to receive individual feedback and support from teachers.
- Besides the required Chinese language classes, MS students can also take the Chinese culture class, which helps them to enrich the knowledge of Chinese culture and better equip them for the AP Chinese test. Students have more class time to practice their language skills in the school day by taking the Chinese culture elective.
- At Renaissance Academy, all Chinese teachers are native mandarin speakers from mainland China and Taiwan. The majority of them have master's degrees in education and many years of teaching experience in the US. We take good care of every student in our program and we work together as a team.

Every day happy day.

PARENT VOLUNTEERS NEEDED!

We need more parent volunteers to support our FEC, students, teachers and school. We do not have enough parent-volunteers to ensure all programs scheduled for the remainder of year will be able to move forward. If you can make time in your schedule, please reach out to our FEC Presidency to volunteer our time and energy to support our students and school. If you would prefer to donate funds to specific programs such as field trips or the school in general, all financial donations can be made in the school office or [online payments](#) The FEC meets the first Friday of every month at 8 am in the Arabic classroom. Come join us! If we don't receive the parent support needed, unfortunately not all FEC will continue in 2023-2024. Help us keep these extra programs and fundraisers alive for all RA students and families! Contact the FEC Presidency to volunteer your time and get involved.

Coach Webb has loved coaching the girls' basketball team this year! She says these girls have been improving every single game and each game and practice has been so fun to be apart of.

Most of these girls played their first ever basketball game in the first game of the season and the improvements she has seen since tryouts day is amazing! She is absolutely so proud of each one of the girls on the basketball team and is going to miss hanging out and playing basketball with the girls almost every day of the week.

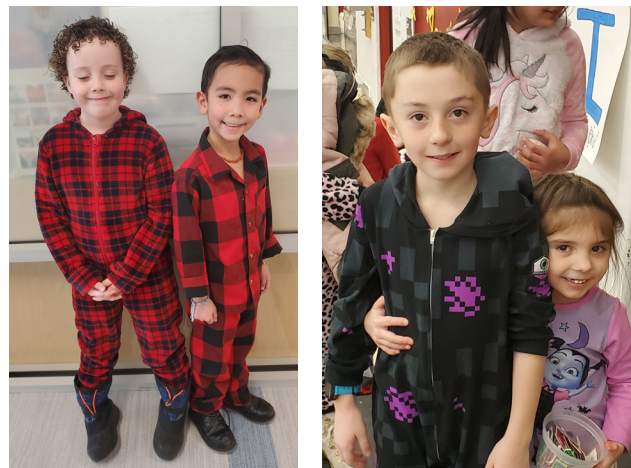

No matter what the score was, these girls were constantly smiling, laughing, and having a good time!

WORLD CULTURE NIGHT - VOLUNTEERS NEEDED!

We are in need of volunteers to help us with World Culture Night on Friday, April 28! If you are able to help, please contact Angie Cobiella (acobiella@renacademy.org) or Brittany Beebe (bbeebe@renacademy.org). [You may also sign up here.](#)

*World Culture Night check list can be found at the end of this newsletter.

SPANISH - Senora Cobiella

Students were spreading self love for the month of February with positive affirmations!

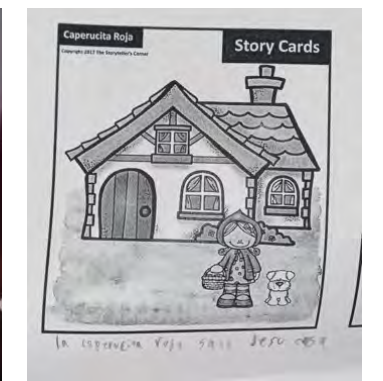

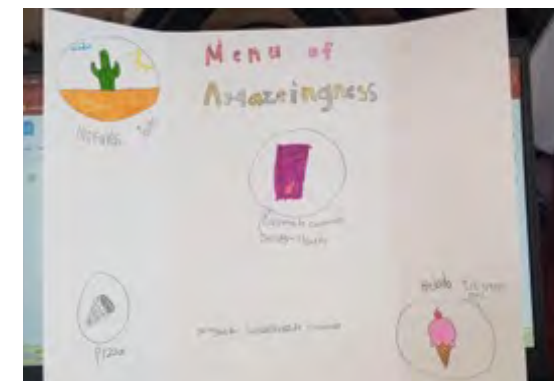

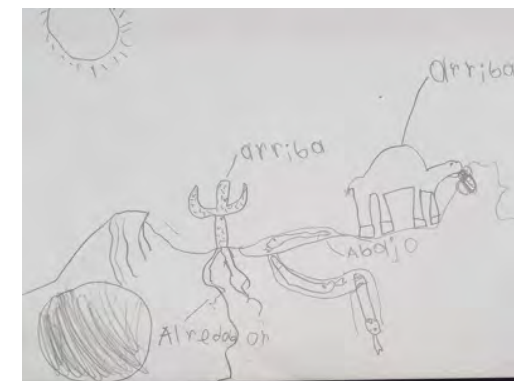

SPANISH - Senora Beebe

Students in 1st and 2nd grade have been learning how to talk about foods they like and feeling hungry. Students in 3rd and 4th grade Spanish have been working with the story "Caperucita Roja" and acting it out and changing the ending! They have also been working hard on spelling in Spanish (deletreo) and listening to music in Spanish! Students in Middle School are very excited about the international music competition: "Locura de Marzo" and preparing for their field trip to Españolandía in April! A few more volunteers/chaperones are still needed! Please contact Sra. Beebe if you are available to help chaperone on Thursday, April 20, 2023.

SPANISH - Senora Morales

5th grade is starting unit 6. We are discussing methods/tips for creating output opportunities all on their own after school. Retelling our class stories is a great way to solidify the vocabulary of each unit. Ask them what stories we worked on!

WORLD LANGUAGE

ARABIC - Ostaza Rina

This month we are focusing on being more fluent in Arabic and on learning our everyday phrases. Students had a blast creating food menus in Arabic and taking turns being customers and waiters serving food; while practicing greeting each other, ordering food and drinks, and having small talks in arabic.

We are also learning more fun facts about the Middle Eastern countries. Students are making connections and comparisons between different cultures.

Chinese - Ms. Wu

We were working on a unit with an art theme in the 8th grade Chinese class. Students practiced drawing with the bamboo brush, which Chinese artists use to make traditional Chinese paintings. They have done their art work on an empty paper fan and their works looked very cute!

FACULTY SPOTLIGHT

ANGIE COBIELLA, WORLD LANGUAGE COORDINATOR/SPANISH TEACHER

Where are you from? I was born in Lima, Peru. Immigrated to the US when I was 3 years old and grew up somewhere between Seattle, Utah and Washington DC.

Tell us about your family: I am married to my wonderful husband of 17 years that I met while serving in Italy. We have two wonderful sons that are 14 and 15 and who are growing up way too fast if I'm being honest. Watching them play soccer absorbs all our extra time and we love it.

What is a fun fact about yourself? I love to cook!

What is your favorite thing about teaching? I served in the United States navy for 7 years before becoming a teacher. I have been teaching for 10 years and still my favorite thing about teaching is the students. Even my tricky ones give me stories and laughs that will last a lifetime. They are so much fun and keep me on my toes. I love watching them acquire language and I know the impact that it will have on them as they become global citizens. Sharing my culture and other Latin cultures is always a highlight for me. Here's to another 10!

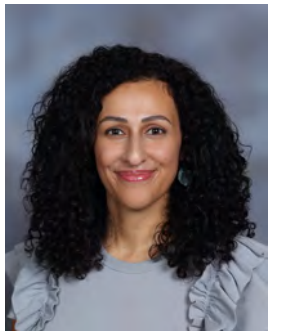

RINA HANNA, ARABIC TEACHER

Where are you from? I am from Egypt. Born and raised in the capital of Egypt; Cairo.

Tell us about your family: I am married and have two kids. Ryan is 12 years old and Ruby 7. We moved to Utah from Egypt 10 years ago.

What is a fun fact about yourself? I speak 3 world languages and am fluent in more than one Arabic dialect.

What is your favorite thing about teaching? My favorite thing about teaching is helping students become global citizens and enabling them to connect with people from different cultures and backgrounds.

BRITTANY BEEBE, SPANISH TEACHER

Where are you from? I am from southern California and grew up next door to Disneyland. (It may be surprising that I actually don't LOVE Disneyland!)

Tell us about your family: My family is mostly my daughter and I. We moved to Utah 8 years ago from California. She attends Skyridge high school.

What is a fun fact about yourself? I spent Y2K in Paris when we all thought the world might end!

What is your favorite thing about teaching? My favorite thing about teaching is building relationships with my students. They are so clever, creative, and smart!

ANNA MORALES, SPANISH TEACHER

Where are you from? Rupert, Idaho

Tell us about your family: My spouse and I have 4 children who count their pets as siblings. We have 2 kittens, and 2 dogs.

What is a fun fact about yourself? I am also a dance teacher and choreographer, currently with Atlas Dance Collective.

What is your favorite thing about teaching? I like helping students find the questions that model and stimulate a curiosity centered mindset.

FACULTY SPOTLIGHT

MADISON HOFFMAN, DIRECTOR OF SPED

Where are you from? Born and raised in Utah

Tell us about your family: My husband, Zach, and I have been married for 16 years. We have an 11 year old daughter named Rayni and a 2 year old fur baby named Penny.

What is a fun fact about yourself? I took a ride on an elephant once. Their skin is super leathery and the hairs on the top of their head feels like little tiny wires.

What is your favorite thing about teaching? I believe that every student deserves the opportunity to feel successful. Helping them be successful brings me joy!

KIM BEVAN, SPED TEACHER

Where are you from? I grew up in a small town 15 miles East of Park City called Peoa. I attended South Summit High School in Kamas.

Tell us about your family: I have 3 kids that attend Renaissance Academy. I have a son in 5th grade and boy/girl twins that are in 3rd grade.

What is a fun fact about yourself? I love to watch game shows and hope to be on one some day!

What is your favorite thing about teaching? I love to make learning fun and create a game or activity for concepts that I teach. It's fun to see students enjoy it so much they forget that they are actually learning!

MANON RATHER, SPED TEACHER

Where are you from? I have moved a lot during my life. The longest place I've lived in is Edgewood, New Mexico (close to Albuquerque) for 10 years. I also lived in Heber City, Utah for 8 years.

Tell us about your family: I have a larger family of 4 siblings and me. I have 3 sisters and a brother. My family are immigrants from France and Canada. They are all American citizens. I am the first-born American in my entire family lineage. We are all bilingual in French and English. When we are all together, we tend to be rambunctious and we love to play strategy games together.

What is a fun fact about yourself? I love dancing (I know over 8 styles). My writings have been published from competitions, being an intern for a local newspaper, and more. My favorite animal is a wolf, and have been able to pet a wolf-dog before

What is your favorite thing about teaching? It's so hard to choose, but I love the students I work with and I love thinking of interesting ways to individualize curriculum that would make sense to the child. I love the creativity in teaching.

FACULTY SPOTLIGHT

BRITTANY ORMSBY, SPED TEACHER

Where are you from? I'm from Los Angeles, California

Tell us about your family: I'm the second of four kids. I married my husband May of 2021 and we are expecting our baby boy some time this month.

What is a fun fact about yourself? A fun fact about me is I can recite 30 digits past 3.14 of Pi and I wrote on my second grade project that I wanted to be a teacher when I grew up.

What is your favorite thing about teaching? My favorite thing about teaching is approaching teaching like a puzzle. I love filling in the missing pieces and seeing the joy that students have when something clicks into place.

WENDY CLOSE, SPED TEACHER

Where are you from? I am from Salt Lake City, grew up in Salt lake Valley and went to school on the East Bench.

Tell us about your family: I have 4 grown children, and I have 6 wonderful grandchildren ages 10-2. I have two cats at home one is named Bug and the other is a new kitten his name is Jax.

What is a fun fact about yourself? My favorite thing about teaching is first the kids, I truly love being around them. They make me so happy with their individual personalities and the knowledge that they each have. They teach me on a daily basis, but I love it when I teach them something after a month or a few months and then it finally clicks and they improve because of what they were taught. I think that is probably something that every teacher would say. I truly feel so blessed to be able to do what I am doing every day.

What is your favorite thing about teaching? I have been working in Special Education for 30 years this year, which seems like such a long time, but I love it. Each year is a new adventure for sure. I love to watch Soccer and Basketball.

MELISSA CHRISTENSEN, SPED TEACHER

Where are you from? I live in Roy but am originally from Kaysville.

Tell us about your family: I'm married and live with my husband, stepson and 3 dogs. I have 3 perfect little nieces that I love spending time with.

What is your favorite thing about teaching? I love teaching sped because of all the progress I get to see students make!

READING CORNER

READING WEEK - MARCH 6-10

INTERNATIONAL READ-ALOUD DAY - MARCH 3

- International Read-A-Loud Day - March 3rd Faculty and staff will take time out from their day to read with classes throughout the school. There will be a sign up for reading appointments that will be sent out on Thursday, February 23rd.
- Reading Logs - Every student will receive a Reading Log at the end of the day on Monday, March 6th. They will fill out their reading minutes for every day during that week and turn their log in by 12:30 on Friday, March 10th . Minutes will be calculated. We will have certificates for over-all readers and grade level readers.
- Teachers will be asked to disclose what they are currently reading, as well as all time favorite reads. These revelations will be printed out and placed around the school for students to look at and hopefully find a book to read.
- Battle of the Books Preparation - Reminder to all that Battle of the Books is almost upon us and that the reading that they have been tasked with doing should be done!

We want to encourage all who are associated with our school...Teachers, students and parents to take some extra time to read during our Reading Week Celebration. Turn off the TV streaming and cozy up with a good book!

School lunches are ordered a week in advance. By the end of the day, under each Monday in the school wide calendar <https://renacademy.org/calendar> there should be a title/event that says School Lunch Order Form with the order survey that you can copy and paste to your web browser to fill out. This will serve as an additional access point to get to the order form in case you don't receive the email that's sent out through Aspire every Monday to order school lunch.
