

FEC Meeting

Feb. 5, 2016

Schoolhouse

In Attendance: See attached sheet

Welcome and Call to Order: Alyson Harper (sitting in for Kristin Barlow)

Approval of Minutes: 1/8/16. Approved.

Presidency Report:

*Budget: Rae Seal

- Everyone is on budget. Just make sure the budgets that were donated still get accounted and planned for next year. Rae is possibly still waiting on movie totals. Alyson turned in receipts for pool reservation. Next month, she will have more receipts turned in.

*Fundraising: Candace Lierd

- Chick-fil-a Night (Feb. 22): Not happening now. Now it's April 28. Nothing available earlier than that so far. There was a mix up in communication. Candace will be going to set up days for next year in May. Hopefully we will still get the days we want.
- We received \$619 from box tops. The check was mailed out to the school on the January 15. Another box top contest will take place the last week of February on the 22-26.
- Smiths enrollment will be in the next RAPP. Instructions on how to re-enroll will be included. Also, Candace will email Mandi to email info out to coordinators.
- We have nixed the pizza pie cafe fundraiser. We only made \$33. Maybe they didn't keep track of funds.
- Would it be possible to do a Papa Murphy's fundraiser? March would be a good time to do it. Candace will check into it.
- Does Zupa's have a fundraiser?

*Coordinators: Mandi Lei

- All coordinators are doing well. Mrs. Hopkins is still looking for a coordinator. Mandi working with Mrs. Hopkins and Mr. Wright to fill in the gaps. Mary Mecham can maybe step into that because she used to be Miss Murphy's coordinator.
- Check on Miss Anderson's coordinator. Is it going well?
- Julie Walker- Ana Mattson has been working with her to get activities going for the MS. They are working together to plan activities while MS kids are gone to DC.

Reporting on Recent Events:

- Inspirations (Jan. 8, 15): It was a great event. Were all participants emailed or just winners?
- Battle of the Books Wonder Days: Wonder days aren't really working. Rachael is very frustrated with groups. She is trying to find a replacement for a team. We

may have to redistribute kids to other groups. We believe that once the kids see the battles, then interest will increase. Assembly will be 45 minutes, just 3-6 grades. Quiz tables have been really fun! Another quiz table will be next week. Discuss more as battles come up.

- Rachael has talked to Kristin to make changes for next year.
 - Could it become a battle of the books club?
 - It would be helpful to put different people in charge of each aspect of the program.
- HOPE Week (Buddy Bench): It was great. It was presented in an assembly to the elementary kids. It's nice to finally have it come to fruition.

Upcoming Committee Events:

- Spelling Bee (Feb. 18): We are done with all class and grade bees. Hall of Fame winners can go up in the hall. Email needs to go to parents of participants to make sure they will participate. Make sure a facility use form is filled out. It will be at 6:30. It will be for 3-8 grades. Our school winner will go to UVU. Word club helps with studying. Quizlet can help as well. Mr. Scheerer has an additional list. Chairs will be set up, working with Ms. Kinder for sound system.
- Book Fair (Feb. 22-26): Kim Rollins contacted. Advertised in the RAPP. It's all good! Everything is moving smoothly. In addition to this, we will sell spirit gear and shirts at SEPs.
- SEP Teacher Luncheon (Feb. 25): Lindsey is our contact. They are debating: pasta bar vs. potato bar, salad bar. Mexican is always a hit. Mandi will contact her. Not much of her committee was helping. Alyson, Candace, or other coordinators can help out day of. Alyson will talk with her about options. Candace will see if Chick-fil-a will donate sandwiches in place of mixing up dates.
- Battle of the Books Battles (March 11, 18): Rachael needs some volunteers to help run battles. She'll let us know.
- Phoenix Pride Spirit Week (March 28-Apr 1): Kristin will meet with Stephanie. Date is really April 11-15.
- Classic Skating Night (March 29): Fliers will be available to hand out in March. Ponder a theme. Maybe a disco night. We need to make sure it is put in the March RAPP.

Discussion Items:

- Summer Pool Party: It has been reserved. It will be August 27th. Picnic from 5-7 at the pavilion, 7-9 swim time. Start of the school will be August 16. Make poster for pool party when class lists are posted.
- Candace has received emails from parents: They have concerns about traffic and security, and the cell phone free zone. People complaining are generally not following the rules. Candace will send a shout out to the aides for keeping us safe. And a reminder to drive safe.
- Security update- Amber has lots of emails coming back from principals about security information. Cafeteria door, MS, kindergarten doors are still unlocked. Back gate to the Murdock trail is left open. Suggestion has been

made that if we see something that is suspicious or unsafe, we should report it. Teachers should have a protocol to make sure gate is locked. Protocol just needs to be reinforced. Is there a system in place to call if the students don't attend? Put Amber on the agenda next time. She will send info to Mark and Stephanie.

Next Meeting: Friday, March 4, 2016 @ 8:00 a.m. in the faculty lounge
