IT'S BEEN A GREAT YEAR

We have made it to the final stretch of another year. It seems like just yesterday was Back to School Night! We have been through a lot together this year... We have navigated life after CoViD, along with the changes that that has entailed. We have had loads of fun as a community with our annual Carnival, Classic Skate Nights, and at ALL the great Spirit Nights. Our students have had fun with field trips, class parties, middle school dances, and holiday festivities. We have shown our teachers love and support with SEP Snacks, the weekly Teacher Cart, and Teacher Appreciation Week. We have supported our school sporting Spirit Gear and loading up on books from the Book Fair. Our students have learned together during White Ribbon Week, the Battle of the Books program, Red Ribbon Week, Inspirations, Friendship Week, and the Spelling Bee. We have mourned and felt loss together as our dear Mr. Wright passed away in October. We have served together gathering thousands of pounds in food for our Tabitha's Way Food Drive, as Classroom Coordinators, and as parent volunteers. We've chaperoned field trips, thrown class parties, helped with centers, helped pull off all the awesome FEC events, and much much more.

And we're not done yet! We are excited to show the students some appreciation each week this month for all they've been through the past couple years and we want to show YOU how much we have appreciated you and your efforts of support this past year, with our upcoming volunteer breakfast that you won't want to miss!

If you have enjoyed volunteering and want to look ahead to next year, if you want to check out different ways to serve, or if you're new to volunteering and want to see what's out there, you'll want to check out this link! [Volunteer Sign Up](#)
