Recent Committee Events: What can we improve for next year & how can we make your job easier?

- **Zombie MORP** all-around success, profitable. Only problem: the committee hadn't purchased snacks to sell at the dance.
- **Red Ribbon Week** Overall success, great participation and response from teachers and community. For next year: plan a year out (farther in advance), kids want a pajama day, need to better define "superhero" dress, training on assembly equipment or have someone familiar with the system run the assembly. NOVA Program – are we interested? How to make that happen?

Upcoming Committee Events:

- **Holiday Boutique** – November 9, 10 am-7 pm working on advertising

Other

--Donations to school need to come in the form of a check to RA, then the school will re-issue money.
