Reporting on Recent Events:

- **Carnival Recap: Chelsy Burnah**

- Most successful RA Carnival in terms of attendance (sold 850 wristbands) and profit (made \$7000)
- Setup: would start earlier. Would require booths to be ready 30 minutes prior.
- Ticket sales at event: for first hour have 2 stations of 3 people each: 1 to write family name/order, 1 to take money, 1 to give tickets/wristbands. Big sign with pricing so people can decide while in line
- Entrance line too long: have two lines: one for pre-sale entrance, one to purchase entrance
- Have roaming hosts to tell people where to go
- Book food trucks in May
- Auction Baskets earned \$2000. Start in May (or January) to ask for donations. Instead of 1 theme/class do 2 themes/grade
- Parent-Run booths: good way to involve and increase attendance. Provide photos of past booths to inspire ideas
- Try mid-Sep instead of end Sep, go 5-8pm instead of 7:30
- try a Pre-Sale at Back-to-School Night
- Approach community businesses: "How would you like to be represented at our carnival? Signage? Giveaways? Booth?"
- Schoolhouse should report to parents the benefits of their contributions. Report specifically on how we'll use the money.

- **Tee-Shirt Sales: Megan Verno** Sold 47 tees at Carnival. Extended sale thru SEPs.

- **Teacher Appreciation Lunch**
