

FEC Meeting

September 1, 2017
Schoolhouse

In Attendance: See attached sheet

Welcome and Call to Order: Mary Mecham

Parent Introductions: Mary Mecham

Presidency Report:

***Budget:** Kathy Brooksby

A few receipts from last year still need to be submitted before 2016-2017 budget can be closed out.

***Fundraising:** Candace Lierd

Based on increased revenue from retailers like Amazon and Smiths, more parents are registered to have money donated to school from their purchases.

***Volunteer Opportunities:** Jessy Feveryear

White Ribbon week still needs a committee chair.

***Coordinators:** Kimberlee Skarda

Only one more coordinator is needed for Kindergarten.

Reporting on Recent Events:

- **Back to School Night: Mary Mecham**

Lots of volunteer sign ups, including daddy-daughter dance. Next year, the FEC will skip the cookie table....it was too hot outside for volunteers, and cookies are not a good idea inside the building with such a huge crowd.

- **Welcome Back Pool Party: Mary Mecham**

Well attended and went smoothly. One lifeguard asked parents to be sure children did not take otter pops into the pool.

Upcoming Committee Events:

- **Carnival (Sept.15): Nanette, Wendy, Mica**

Businesses are signed up for booths, which takes a large burden from coordinators. Lots of ticket sales at back to school night.

- **Fall Book Fair (Sept. 25-29): Kim Rollins**

Still needing to fill a few more shifts.

- **SEP Teacher Luncheon**

As the SEP schedule has changed, we will not be doing a formal lunch. Looking into a variety of snack table ideas.

- **Box Top Contest 10/9-10/13**

As box tops are due November 1, the contest will be held in plenty of time to have box tops counted.

- **Red Ribbon Week (Oct. 24-27)**

Committee has meeting scheduled and will be announcing themed days next month.

- **Chick-Fil-A Night (Oct. 25): Candace**

Discussion Items:

- **Final Budget: Mary Mecham, Kathy Brooksby**

Final budget approved, including additional funds for red and white ribbon week.

- **Classic Skate Night, Date change**

- **Give-back to Schoolhouse**

This past school year, the FEC helped complete equipment for the sound system. For the current school year, we are exploring a number of ideas. While replacing playground pea gravel is ideal, it seems this would require its own committee to look for grants and donations.

Next Meeting: Friday, Oct.6 @ 8:00 a.m. in the Faculty Lounge
