

WHAT IS JUNIOR ACADEMY?

Renaissance Junior Academy is an optional extended day Kindergarten program housed at Renaissance Academy. We strive to meet and exceed the ideals established in our charter to educate the whole child and encourage them to venture beyond personal expectations of themselves. By participating in an extended day Kindergarten program, students will:

- Improve literacy and language development
- Help develop skills for higher academic achievement
- Provide extra time to play, wonder, explore, and serve in their core academic subjects, physical education, art, music, and world language
- Contribute to increased school readiness
- Foster positive social and active engagement skills
- Decrease costs by reducing retention and remediation rates
