3/30	Regional Battle of the Books (BOB)

Message from the Dean

Returning Student Enrollment - Please re-enroll your returning students as soon as possible for the 2020-2021 school year!

No School on Monday 9th March - Teacher Professional Development Day:

Just a reminder, there is no school on Monday 9th March to allow teachers a professional development training day. Please make alternate arrangements for your students on this day.

Returning Student Enrollment

If you have not already done so, please ensure your returning students are re-enrolled as soon as possible for the 2020-2021 school year. We are scheduled to run out 2020-2021 lottery **next Friday 13th March**. All open positions will then be released to new incoming students registered in our lottery system. In order for us to determine how many positions will be available in the upcoming lottery, all current Renaissance Academy students are required to confirm their enrollment for the next school year by completing an online re-enrollment process.

Please visit this link, <https://renacademy.org/enrollment> to access the re-enrollment tool and confirm your students position next year, the process is simple and takes less than 5 minutes. New User profiles will need to be created, as all information from previous years has been deleted. This is also where you will enter any incoming siblings for next year. Re-enrollment of your student will ensure that their spot is not released and offered to a new applicant through the lottery held on a date to be determined in March. We are happy that you have entrusted Renaissance Academy with your student's education. If you have any questions about our re-enrollment process, please contact our Enrollment Specialist, Mrs. Susi Blackhurst at sblackhurst@renacademy.org.

ANNOUNCEMENTS

Save the Date!! Aladdin Jr (Elementary School) Play is at the end of this month: **March 26-28**. There are two casts, so feel free to come twice to support *all* of the kiddos who have been working so hard! **Admission is free, however donations are accepted & appreciated.**

Come join us for another fun Spirit Night at Panda Express (North Digital Drive, Lehi) Thursday, **March 12th from 4-9pm**. Bring in our flyer (or show from your phone) and 20% of the event sales will be donated back to our school! As a courtesy, please remember to not hand out papers to patrons in the parking lot.

SKATE NIGHT:

March 18 from 5:30pm-8:30pm is our Spirit Night at Classic Fun Center! Admission is free, and if you have skates or a scooter to bring from home, you are welcome to do so! Otherwise you are able to rent rollerblades or a scooter for just \$3. More info can be found on our FEC page online!

School Spelling Bee Winners

1st Place: Quinton J.

2nd Place: Audrey P.

3rd Place: Korver J.

Battle Of the Books

Final battles will be held
Friday, March 20, 2020

March 6th 3rd-4th grade & 5-6th grade

March 13th MS & teachers

Battles will be held in the gym.

Save the Date

Daddy-daughter dance will be held on April 23rd. More details to come; We just wanted to make sure you mark your calendars so you don't miss it. For our single mothers, you are more than welcome to accompany your daughter(s) to this activity.

If your student is a fan of the daily jokes put on our marquee sign outside, and has a good one they'd like to share, they can write them down and hand in to Miss Doyle at the front desk. They can't be too wordy due to space on the sign, but if they fit & are appropriate, I will put them on!

WORLD LANGUAGE

Dear Parents,

This year we will be holding our 3rd annual World Culture Night. This is a very unique and enriching experience that supports our school wide goal of creating global citizens. Last year was a great success and it looks to be only better this year. We will be transforming 15 classrooms into different interactive cultural experiences from around the world.

This year each grade level will be in charge of choosing two countries from any region of the world. We will need all the support we can get to make this a memorable experience for students and families. Please look out for an email from your students teacher with details and volunteer opportunities. Any and all volunteers are greatly welcomed and appreciated.

We are looking for volunteers that want to help share their own cultures and customs with our school. Please email your students teacher early if you desire to transform a room or email the World Language Coordinator Angie Cobiella. This will surely be a night to remember!

Thank you for all your support and, as always, if you have any questions or concerns about your students progress in the classroom, please email us directly.

Sincerely,
World Language Team

Last month at Renaissance Academy...

Someone (fellow staff or parent - we aren't sure) put a Valentine's treat in everyone's box anonymously! Sure made our day.

It was so fun seeing what Valentine's activities each class did this year!

Mrs. Anderson's class learned about static electricity using balloons!

In Mr. Robinson's class, this team built the champion Viking Longboat, which held 700 grams of weight before sinking! Very impressive job Wyatt B, Michael J, Riley A, and Zach G!
