WHAT IS YOUTH ART MONTH?

The Council for Art Education (CFAE) administers Youth Art Month at the national level. Festivities take place annually, traditionally each March, to celebrate visual arts for grades K – 12. The Youth Art Month Program emphasizes the value of art education for all children, encourages support for quality school art programs, and promotes art material safety. Youth Art Month also provides a forum for recognizing skills developed through visual arts experiences that are not possible in other subject curriculum. To promote Youth Art Month, the Council for Art Education coordinates Youth Art Month activities at the national level. The primary event is the State Flag Program. Each state coordinates a **flag design contest**, with the winning design made into a flag for display in the Youth Art Month Museum at the National Art Education Association Convention in March. The 2014/2015 national theme is "**Art Builds Bridges.**" - See more at: <http://www.arteducators.org/news/yam#sthash.znX-Juhrx.dpuf>
