Renaissance Academy Middle School is pleased to announce the initiation of the Phoenix Chapter of the National Junior Honor Society. The National Junior Honor Society (NJHS) is a leader among educational organizations and societies nationwide. NJHS recognizes students for their outstanding accomplishments in scholarship, leadership, service, citizenship, and character. Acknowledged by high schools and colleges throughout the country, membership in the NJHS is one of the highest honors that can be awarded to a student. Furthermore, chapter membership not only recognizes students for their accomplishments, but also helps them to develop further through active involvement in school activities and community service.

For students in 7th through 9th grade, the criteria for selection begins with the area of scholarship. The requirement is a minimum of a 3.5 cumulative grade point average (GPA). GPA for all students will be assessed after grades have been finalized for the 2nd term of this school year. Once students have been identified as candidates based on their GPA, they will then need to be assessed based on their strengths in leadership, service, citizenship, and character. After membership has been granted, continued demonstration of these five areas will be required to retain membership. Members will participate in monthly meetings and activities including, but not limited to, individual and chapter facilitated community service.

We are excited to honor our students and to continue to help them grow in these areas. Inquiries may be directed to the NJHS Advisor, Mia Naddeo, at mnaddeo@renacademy.org.
