### **Welcome back for Term 2!**

We are back into the swing of things again after a well-deserved Fall Break and a fantastic Red Ribbon Week last week. I hope you all had some fun, a relaxing break and are ready for the next stretch towards Thanksgiving and Christmas. A big thank you to all who contributed to making Red Ribbon Week such a success last week. It was a wonderful week full of educational experiences and fun helping students to really understand this year's theme 'Love Yourself... Be Drug Free!.' A big shout out and thank you must go out specifically to Janalee Goebel and Sarah Christensen for heading up the event. You did a wonderful job!

This week we get stuck into Term 2 - All students should be well and truly settled into their classrooms and grade levels. Please remind your students now is the time to start again, get organized and motivated, and refocus their efforts on their learning. We hope that all students will aim to work hard and achieve their best this term.

This week is also Halloween - as I am sure no one has forgotten. Costumes are most definitely all the rage here at RA this Friday 31st October for Halloween. We encourage costumes on Halloween, however please remember and remind your student/s to wear appropriate costumes (this mean modest attire, no masks, weapons, props, inappropriate slogans or language). Students dressed inappropriately will be asked to call home for a change of clothing. Renaissance will be holding a Halloween Parade for all classes who choose to participate this Friday 31st at 8:30 am in the gym. Unfortunately due to limited space in the gym this parade is only for students. Class parties may also be held and organized by classroom teachers and coordinators. If you have any questions or concerns about Halloween or Term 2, please feel free to contact me by phone (801) 768-4202 or email [smccappin@renacademy.org](mailto:smccappin@renacademy.org)

*Dean of Students and Families*

Dear Renaissance families:

The school administration and the leadership of the Family Engagement Committee are sponsoring a parent forum to discuss the issue of teacher retention. As part of our ongoing improvement process, we've identified teacher retention as a critical success factor in the achievement of our goals for the future. We know that this issue is important to everyone who cares about the school and the quality of the education we provide.

The meeting will be held at the schoolhouse on November 6th at 7:00pm. At the meeting we would like to provide you some insight into our hiring and retention efforts, as well as hear your perspective on how we might improve those endeavors.

Thank you for your support of Renaissance and its mission. We hope you will attend the meeting and participate in the community discussion about this important issue.

Sincerely,

Family Engagement Committee leadership  
Mark Ursic  
Stephanie McCappin
