The Renaissance Academy Printing Press

Message from our Dean

Dear Renaissance Parents/Guardians and Families,

I hope everyone had a wonderful summer break, your students have settled into their new classes, are enjoying new friends and teachers, and that everyone is now well into the school year groove. We have had a fabulous start to the new school year and I look forward to getting to know all of our new students and families, and to the fabulous year ahead. Please take a few moments to carefully review the following information and reminders included in this month's edition of the Renaissance Academy Printing Press (RAPP) to keep yourself informed about the many activities, events and happenings at Renaissance both this week and in the near future. Please

let me know if you have any questions or concerns about anything at Renaissance by emailing me at smccappin@renacademy.org.

1. Do you know someone interested in attending Renaissance this year? Invite them to enroll now for 2017-18

This year we will continue to enroll new students interested in attending our school throughout the year. We do still have some seats open in several grades and classes and would love to fill them with your friends or neighbors. If you have friends or neighbors who might be interested in attending RA this year, please have them check out our school website at www.renacademy.org, contact our school office at 801-768-4202 or email me directly at smccappin@renacademy.org with any questions, to find out if a seat is available in their respective grade level, and/or to organize a school tour.

2. School starts at 8:00 am - Please be prompt

Please help us maximize student learning by having your student/s at school before 8 am. Parents, please support your student/s and our teachers by bringing your student/s to school early and making sure they are in their classroom/s and ready to learn before 8 am. Our classroom schedules are very tight here at Renaissance, and our teachers aim to maximize student learning and instruction time by beginning to teach immediately following the 8 am bell. We understand that sometimes things happen and you don't make it out the door quite early enough, however please do your very best to get your students here on time. If a student is late to school and arrives after 8:10 am they are required to check in at the office to receive a late slip before heading to class. The late slip is then presented to their classroom teacher for attendance tracking purposes.

3. Student Absences - <https://renacademy.org/excuse-absence>

If your student is absent from school, please go online as soon as possible to our school website to excuse this absence and let us know why your student is not at school. School attendance is required by law and we are required to keep track of who is and is not regularly attending school. It only takes a moment - Please see the following link if and when you need to excuse your student's absence from school at <https://renacademy.org/excuse-absence>.

4. 2017-18 School Calendars

Our 2017-18 Renaissance Academy printed school calendars have arrived and will be sent home in your oldest students backpack Friday 9/8. Every RA family and faculty member will receive a hard copy school calendar courtesy of Bank of American Fork.

5. Student Planners (3rd-9th grade)

All students in grades 3-9 have now been issued a Renaissance Academy 2017-18 student planner. You should expect your student to be using this organizational tool daily to keep track of their assignments, unfinished work and homework (6th-9th grade), and other important school information. Please take some time to review your students planner with them, help them learn how to use it as well as to become familiar with the many tools enclosed in the planner (look at the back!). We hope our student planners will help teach our students important organizational and planning skills, and make their and your lives easier!

6. How to check your students grades and missing work on Aspire

You can easily check your students academic progress and grades online through our student information system Aspire. We encourage you to be involved in your students learn and to check aspire regularly and at least weekly. Please contact your students teacher if you are struggling to access your students grades through Aspire.

To create a log in for your student:

- Click on the link - <https://renaissance.usoe-dcs.org/Login.aspx>
- Click on 'Request a Username'
- Enter your students ID number (same as their lunch number and can be obtained from their classroom teacher), date of birth and then create an account
- Check your students grades and missing work regularly

7. 'Friday School' Our RA 7th - 9th grade Middle School Remediation Program - Begins Friday 9/15 12:30- 2:30 pm

We will be begin our 'Friday School' academic remediation program for 7th-9th grade students struggling or falling behind in class next Friday 9/15. For those of you new to Middle School this year 'Friday School' is our academic remediation program for students currently struggling to maintain their grades (i.e., C grade or higher), and who would benefit from extra academic support, question time and teacher instruction. All MS students are invited to attend 'Friday School', however students failing to maintain A and B grades in all subjects are encouraged and expected to attend.

This year 'Friday School' will run most Fridays (with the exception of when full-day field trips are scheduled) from 12:30 - 2:30 pm. Students with a 'C' grade or below in any subject will be expected to attend. Please speak with your student regularly about their grades and progress, contact your students teacher and check their grades on Aspire (our student information system) to stay informed about how your student is doing at school and whether they could benefit from attending 'Friday School'. Students attending 'Friday School' on any given Friday should either bring a sack lunch from home or order a sack lunch from the cafeteria by raising their hand during lunch count on Friday morning. As 'Friday School' is considered an extension

of the normal school day, students are not permitted to leave school grounds for any reason (i.e., to purchase lunch) unless checked out by their parents or guardian. If you would like your student to leave 'Friday School' early please check them out through the front office as you would at any other time during the school day.

Students attending 'Friday School' are expected to report to Mr. Vidinha's classroom at 12:30 pm on any Friday. They are welcome to eat their lunch either before they come or in Mr. Vidinha's classroom during 'Friday School'. All of our RA MS core teachers (Math, Language Arts, Science and Social Studies) will be available during this time to provide academic support to students. Once students report to Mr. Vidinha's classroom they may then disperse into smaller groups in various subject classrooms depending on the size of the student group that day.

8. Middle School Student Tardies

We are beginning to have a problem with MS students being consistently late to class. Students are showing up frequently late both first thing in the morning and then to various class periods throughout the day. Please make the extra effort to help your students to be on time to school and remind your students that if they are consistently late to class they will receive an instant after school detention. Please remind your students how important it is for them to be punctual to class to ensure they do not miss valuable instruction time or course content.

Each MS teacher has put into place a specific tardy/detention policy in their classroom. This policy has been clearly communicated to your student/s, they know what is expected of them and when they will receive an after school detention for tardiness. If your student receives a detention for being tardy the teacher who issues the detention will inform the student and contact you as their parent via email to inform you of the detention date and time, as well as why the detention was issued. If you have any specific questions regarding each individual teacher's tardy/detention policy please contact them directly by email.

9. Middle School PE Dress

MS students are required to wear PE appropriate attire for PE class. This includes appropriate running shoes, shorts (dress code approved length) or sweats, a sleeved t-shirt, and a sweat shirt if needed. PE clothing does not need to be dress code colors. Students are required to change immediately before and then again after PE class back into dress code clothing before their next class period. Our PE teacher Mr. Story allows time for your student to change both at the beginning and end of PE class. As MS PE is not held in period 7 all students should be leaving school in dress code clothing unless remaining after school for dance rehearsals. PE clothing should be appropriate for school and modest. Please ensure your student does not wear their dance clothes for PE - tank tops/sleeveless shirts are not appropriate for PE. Clothing that shows a student's midriff is not permitted at school for PE or Dance class. If your student does not present to class in appropriate PE or Dance clothing they will be asked to change and/or sent to the office and asked to call home for approved clothing.

Students who have PE in Period 1 starting at 8 am should come to school dressed in their PE clothes (not dress code). They should bring their change of dress code clothing in a backpack to change into at the end of PE before Period 2. We do not want to waste valuable PE class time changing into PE clothes when the students have only just arrived at school.

10. Lost and Found - Located in the Gym

Just a reminder to please mark all student sweaters, jackets, lunchboxes, and other personal belongings with your student's name. This makes it easier to find the owners and prevents you having to re-purchase lost items. Lost and found items are regularly placed in the gym and will be kept/held for one week before they are donated. Pictures are also posted weekly to our Renaissance Facebook page.

11. Lunch Payments & Online Menu

Our monthly school lunch menu can be found online at https://renacademy.org/dynamic/content/1180/38/september_2017_-_lunch.pdf

Students may choose to bring home or school lunch. If your student will be purchasing school lunch, please deposit cash or check into their account using their lunch ID number (ask their teacher), the deposit slips, envelopes and grey deposit box located on the right as you enter our school hall. Deposits are made daily by our fabulous lunch staff. If you would like to deposit money onto your student's lunch account electronically, please use the following link <https://renacademy.org/online-payments> and click on the School Lunch payment link. Please contact our Food Services Manager Stella Aires at saires@renacademy.org with any questions about our lunch program or payments.

12. Toys, Fidget Spinners and Pokemon cards are not permitted at school

Parents, please remind and do not permit your children to bring toys, fidget spinners or Pokemon cards to school unless special privilege is granted by your student's classroom teacher for a special occasion or class reward. These items are not permitted in the playground during any recess or lunch period to help the student make the most out of their time to run around outside. Students will receive reminders before items are taken from them by their teachers if seen during recess. Any item taken from a student may be collected from their classroom teacher by a parent/guardian.

Field Trips

This year we have many exciting field trips scheduled, planned and ready for your students to experience. Field trips can only happen with your financial support and donations. For this reason we ask parents of students in Kindergarten through 6th grade to contribute a \$40 field trip donation if at all possible. Field trip costs are covered as part of the MS student fee schedule. We understand this donation may not be possible for all of our families, hence any donation is always appreciated. Your generosity as parents enables our students to really "Experience Education," expand their understanding of curriculum taught by their teacher and get outside of their classroom. So that you as parents know exactly what we hope and plan to do this year, please see our list of scheduled field trips below. Please help us make our field trip plans a reality for your student/s.

Field trip donations can be made in the office (cash or check only) or online at <http://renacademy.org/online-payments> (K-6 donations, 'field trip' or 'misc donation' and label as '1st grade field trip donation' etc). Thank you for your generosity and support of our elementary field trip program. If you have any questions or concerns, please feel free to contact Ms. McCappin at smccappin@renacademy.org.

For more information regarding each specific field trip please contact your student's teacher directly. Please also contact your student's teacher if you are interested in helping chaperon a field trip. Parent helpers are always happily welcomed and appreciated. Field trip donations are received in the front office. Once again, we appreciate and are grateful for any generosity demonstrated to our students. Thank you.

Traffic Reminders

Please help us keep our students safe and to keep traffic moving smoothly by remembering and adhering to the following rules and procedures:

- No cell phone use
- Do not park in traffic zone before or at the end of school. Parked cars cause a lot of problems when we are trying to keep cars flowing. If for any reason you need to leave your vehicle, please pull into a parking spot.
- Please wait in the line of traffic unless directed otherwise by those assisting with traffic.
- Please pull forward as much as possible. We have many parents waiting in line, and the more cars that pull forward, the more students can be taken care of and move traffic at a faster rate.
- For the safety of our students, Please use crosswalks. Crosswalks are located by the entrance of our school, and at the exit of the parking lot. Please try to keep our students in the habit of safety by encouraging them to use these crosswalks.
- Stay on sidewalks. Many of our students like to cut across the turn-a-round instead of remaining on the sidewalk. We have many parents who also like to turn their cars around in this circle area as well who may not see the students crossing in the road.
- Please be courteous of our neighbors. Please do not park, drop-off/pick-up or cut through the Learning Dynamics or Dental parking lots next door to us. We have had complaints from some of our business neighbors of cars parked in their lots, students asking to use business phones, business patrons feeling unsafe as cars cut through lots, students throwing decorative rocks, etc. Please help us to be a good business neighbor to others around us.

Other reminders

- Please only have students exit on north side of vehicle for the safety of students from cars driving past. If your students take a long time at drop off, please pull into a parking spot to help keep the flow of drop-off traffic moving.

FEC Carnival

Mark your calendars! The RA Fall Carnival will be Friday, September 15th from 4-7 PM. This is a fun family event that you won't want to miss with a dunk tank, over 20 booths, bounce houses, a silent auction, and more! All proceeds will go directly back to our kids.

For new families to the school, this is our biggest fundraiser of the school year!

If you have any questions or would like to help, please email Nanette or Wendy at renaissanc Carni-val@gmail.com.

The final pre-sale will be this Friday, September 8th at 7:40-8:15, 9:45-10:10, 12-12:30. Purchase for a chance to be entered into a raffle!

Wristbands are \$5/each or \$20/family (up to 6 people) and concession tickets are \$1 each. Prices will increase at the door!

Silent Auction Contest

Each classroom (and middle school) has been given a basket to collect donated Silent Auction items. The classes that collect the most items or raises the most money will win a pizza party and a prize! Please send in anything related to the specific theme by Wednesday, September 6th. Please see the attached flier for the basket themes. Thanks in advance for supporting your child's classroom and the school, every bit helps!

To register for any of these activities, just visit our website at <https://renacademy.org/afterschool-clubs>. If you have any questions, please contact Julie Walker at jwalker@renacademy.org. We hope to see you there!

Basketball

SPACE IS LIMITED!

So excited to be hosting my basketball skills camp for all 5th-9th graders Sept. 18th- Dec. 15th. This would run each Monday 3:00-4:15 pm and Friday 1:00-2:15 pm. This is a boy/girl individual skills camp focusing on dribbling, proper shooting form, individual offensive moves, passing and defense. We will do 1 vs 1, 5 vs 5, competitions and lots of game experiences. Cost is \$129 which includes 24 sessions. REGISTER in the office or online:

<https://renacademy.org/afterschool-clubs>
See flyer at the end of this newsletter.

Parking

Please do not park your cars in the parking lots of local businesses surrounding our school.

After School Procedures

Please coordinate with your students and carpools before school where and when you will be meeting for after-school pickup. The overhead speaker is only to be used in case of an emergency. For your information, students are not permitted to use the office phone until 3:15 pm after school.

Business owners have repeatedly asked us as a school community (i.e., you as parents) not to park in their parking lots. We as an administration, also request that you respect our neighbors and do not park in the parking lots other than our own school lot. Please be advised, if you continue to park in any of the surrounding parking lots not belonging to Renaissance, you risk receiving a pricey parking ticket if reported to police by the local business owner.

Phoenix 200 Club

For those of you who are new to our school, the Phoenix 200 Club is our school wide positive behavior program whereby teachers look to present tickets to students demonstrating good behavior, going above and beyond, and following our school expectations of Be Successful, Be Respectful, Be Responsible, Be Honest, Be Kind & Be Safe.

Once a teacher gives a good behavior ticket to a student, the student then brings the ticket into the office. They get to sign their name in the "Celebrity Book" and then they pick a random number out of a box. Whatever number they get, they write their name on the Phoenix 200 Club board on the corresponding number. Once there is a row of at least ten students, those students are the winners of the "Mystery Motivator" for that round. The "Mystery Motivator" could be things such as a fieldtrip, a gift card, a special lunch, etc. Once we get a winning group, we erase the board and start again!
