

## **2018-19 RA MIDDLE SCHOOL COURSE REQUEST INFORMATION - 7TH-GRADE**

We are in the process of putting together middle school student schedules for the 2018-19 school year. Below you will see a list of required and elective courses available to all 7th-grade students. Your student will be automatically registered for all required courses including World Language. They will be placed in a '7th Regular' or '7th Honors' section for Math dependent on teacher recommendation from 2017-18. For your information, 7th Math Honors is an accelerated math track where students complete both the required 7th- and 8th-grade curriculum at a fast pace in one year. This prepares students to take Secondary Math 1 (i.e., 9th-grade math) in 8th-grade.

All 7th-grade student schedules will be available for collection from the office on Monday, 13th August, 2018 upon receipt of middle school fees. **Please email your students completed course request form to Mrs. Nettie Naumann at [nnaumann@renacademy.org](mailto:nnaumann@renacademy.org) as soon as possible or by June 29, 2018.**

### **7TH-GRADE REQUIRED COURSES**
