

RENAISSANCE ACADEMY

Data Governance Plan

1. Governing Principles

Renaissance Academy takes its responsibility toward student data seriously. This governance plan incorporates the following Generally Accepted Information Principles (GAIP):

- **Risk:** There is risk associated with data and content. The risk must be formally recognized, either as a liability or through incurring costs to manage and reduce the inherent risk.
- **Due Diligence:** If a risk is known, it must be reported. If a risk is possible, it must be confirmed.
- **Audit:** The accuracy of data and content is subject to periodic audit by an independent body.
- **Accountability:** An organization must identify parties which are ultimately responsible for data and content assets.
- **Liability:** The risks in information means there is a financial liability inherent in all data or content that is based on regulatory and ethical misuse or mismanagement.

2. Data Maintenance and Protection Policy

Renaissance Academy recognizes that there is risk and liability in maintaining student data and other education-related data and will incorporate reasonable data industry best practices to mitigate this risk.

2.1 Process

In accordance with [R277-487](#), Renaissance Academy shall do the following:

- Designate an individual as an Information Security Officer
- Report to the USBE by October 1 each year regarding the status of the adoption of the CIS controls or comparable and future plans for improvement.
- Remain compliant with the State's requirement of maintaining a current network security plan

3. Roles and Responsibilities Policy

Renaissance Academy acknowledges the need to identify parties who are ultimately responsible and accountable for data and content assets. These individuals and their responsibilities are as follows:

3.1 Data Manager roles and responsibilities

- manage the sharing, outside of the student data manager's education entity, of personally identifiable student data for the education entity as described in this section
- provide for necessary technical assistance, training, and support
- act as the primary local point of contact for the state student data officer
- ensure that the following notices are available to parents:
 - annual FERPA notice,
 - directory information policy,
 - survey policy and notice (see [20 USC 1232h](#) and [53E-9-203](#)),
 - data collection notice

3.2 Information Security Officer

- Oversee adoption of the CIS controls
- Provide for necessary technical assistance, training, and support as it relates to IT security

4. Training and Support Policy

Renaissance Academy recognizes that training and supporting educators and staff regarding federal and state data privacy laws is a necessary control to ensure legal compliance.

4.1 Procedure

1. The data manager will ensure that educators who have access to student records will receive an annual training on confidentiality of student data to all employees with access to student data.
2. By October 1 each year, the data manager will report to USBE the completion status of the annual confidentiality training and provide a copy of the training materials used.
3. The data manager shall keep a list of all employees who are authorized to access student education records after having completed a training that meets the requirements of [53E-9-204](#).

5. Audit Policy

In accordance with the risk management priorities of the school, Renaissance Academy will conduct an audit of:

- The effectiveness of the controls used to follow this data governance plan; and
- Third-party contractors, as permitted by the contract described in [53E-9-309\(2\)](#).

6. Data Sharing Policy

There is a risk of redisclosure whenever student data are shared. Renaissance Academy shall follow appropriate controls to mitigate the risk of redisclosure and to ensure compliance with federal and state law.

6.1 Procedure

1. The data manager shall approve all data sharing or designate other individuals who have been trained on compliance requirements with FERPA.
2. For external research, the data manager shall ensure that the study follows the requirements of FERPA's study exception described in [34 CFR 99.31\(a\)\(6\)](#).
3. After sharing from student records, the data manager shall ensure that an entry is made in the Utah Student Data Privacy Alliance to record that the exchange happened.

7. Expungement Request Policy

Renaissance Academy recognizes the risk associated with data following a student year after year that could be used to mistreat the student. Renaissance Academy shall review all requests for records expungement from parents and make a determination based on the following procedure.

7.1 Procedure

The following records may not be expunged: grades, transcripts, a record of the student's enrollment, assessment information.

The procedure for expungement shall match the record amendment procedure found in [34 CFR 99, Subpart C](#) of FERPA.

1. If a parent believes that a record is misleading, inaccurate, or in violation of the student's privacy, they may request that the record be expunged.
2. Renaissance Academy shall decide whether to expunge the data within a reasonable time after the request.
3. If Renaissance Academy decides not to expunge the record, they will inform the parent of their decision as well as the right to an appeal hearing.
4. Renaissance Academy shall hold the hearing within a reasonable time after receiving the request for a hearing.
5. Renaissance Academy shall provide the parent notice of the date, time, and place in advance of the hearing.
6. The hearing shall be conducted by any individual that does not have a direct interest in the outcome of the hearing.
7. Renaissance Academy shall give the parent a full and fair opportunity to present relevant evidence. At the parents' expense and choice, they may be represented by an individual of their choice, including an attorney.
8. Renaissance Academy shall make its decision in writing within a reasonable time following the hearing.
9. The decision must be based exclusively on evidence presented at the hearing and include a summary of the evidence and reasons for the decision.
10. If the decision is to expunge the record, Renaissance Academy will seal it or make it otherwise unavailable to other staff and educators.

8. Data Breach Response Policy

Renaissance Academy shall follow industry best practices to protect information and data. In the event of a data breach or inadvertent disclosure of personally identifiable information, Renaissance Academy staff shall follow industry best practices for responding to the breach.

8.1 Procedures

1. The Executive Director will work with the information security officer to designate individuals to be members of the cyber incident response team (CIRT)
2. At the beginning of an investigation, the information security officer will begin tracking the incident and log all information and evidence related to the investigation.
3. The information security officer will call the CIRT into action once there is reasonable evidence that an incident or breach has occurred.
4. The information security officer will coordinate with other IT staff to determine the root cause of the breach and close the breach.
5. The CIRT will coordinate with legal counsel to determine if the incident meets the legal definition of a significant breach as defined in [R277-487](#) and determine which entities and individuals need to be notified.
6. If law enforcement is notified and begins an investigation, the CIRT will consult with them before notifying parents or the public so as to not interfere with the law enforcement investigation.

9. Publication Policy

Renaissance Academy recognizes the importance of transparency and will post this policy on Renaissance Academy website.
