Summer Reading Strategies

- Stop reading at the end of each chapter to review in your mind what you just read. How is the tale tying together?
- What do you think will happen next? Give a prediction.
- Who are the characters? Keep them straight in your mind. Who is your favorite?
- Read at least twenty minutes **EVERY DAY**. If you are not practicing your skills they will become dull over the summer. You do not want to go back to school in the fall as a dull person.
